

# Keep In Touch with Her Anytime, Anywhere, Any Way

VISITING TEACHING IS ABOUT MINISTERING.  
JESUS MINISTERED ANYTIME AND ANYWHERE. WE CAN DO THE SAME.

*"Oh sure, visit anytime"*

I said

but I didn't mean it.

*"Oh no problem, next month."*

I said.

But I was not speaking my truth.

*"I'm fine, really."*

I smiled as I ached inside  
to know

my worth

to another human.

*"I know how busy things are."*

I texted back

I did, but I was still  
empty.

Sometimes,

it is better

to just call

Anyway

to just give a hug

Anyway.

to visit

Anyway.

Sometimes,

It is better

to just let me do my thing,

assured

of your love.

~ MGSK

To "minister"  
is to  
give service,  
care, or aid  
that  
contributes  
to  
the comfort  
or  
happiness  
of another.

Love

is

the

FOUNDATION

of All

We DO.
