"...All sisters ... need to be 'remembered and nourished by the good word of God'

~ February 2006 ~

Take Care of Yourself. Know you are a sister in every way, in a society of Sisters who each are imperfect but trying very hard to Come Unto Christ as well.

Sisters and Nurturing

*You are my sister
not by blood,
Yet, from you I have
learned
how to be more
than I am.*

*I've learned to listen
to the real problem,
to smile
when life becomes
than I can balance.*

*I've learned to respect self
in the process
of nurturing others,
And how to be gentle
in firmness,*

2 Nephi 25:26

*"We talk of Christ, we
rejoice in Christ, we preach
of Christ,*

You are My Sister.

*strong in kindness,
and how to serve.*

*I am not your child
nor are you mine,
but you have
nurtured me as I've
watched.*

*This day is for
celebrating
the woman within,
the becoming,
as we look to Christ
together.*
